Dear Parent:

Your child’s class will be visiting the Historic Lyles Consolidated School at Lyles Station, IN on ________________.

The Lyles Consolidated School is a restored schoolhouse that was originally built in the early 1900’s. Located in a farming community five miles west of Princeton, Lyles Station was founded by freed slaves, runaways and freemen from Tennessee who migrated north.

The Lyles Station Historic Preservation Corporation has preserved the oral, written, and physical history, artifacts, buildings and land that identifies and/or describes events, activities and life experiences of the people in the community known as Lyles Station.

This tour is a small presentation of the history of Lyles Station and includes a visit to the Heritage Classroom. Demonstrations of daily life are given and students are encouraged to participate in these activities. Some of the activities may include visiting the period garden, corn shelling, pumping water, and using a washboard. In addition, the museum and gift shop will be open for the students to visit.

Each student will need to bring their own lunch.
