

Lyles Station Historic School's "Path to Success" Brick Campaign

This Brick Campaign is an initiative created to provide sustainable funding for the Lyles Station Historic School and its programs. The campaign gives students, former students, families, organizations and friends of Lyles Station, the opportunity to purchase a brick with a customized inscription that will become a permanent part of the grounds at the Lyles Station Historic School.

The bricks, sized 4"x 8" and 8"x 8", make excellent gifts for graduation, birthdays, holidays, or even as a way to commemorate achievements and legacies.

Yes! I would like to order my brick today.
